BE CLEAR ON GAME DAY SAFETY

Welcome!

The NFL is enhancing its public safety policy this year to include the type of bag you can bring into the stadium. This will also speed entry on game day. Here is everything you need to know for a safer, more convenient day at the stadium.

Vendor bags that are clear plastic, vinyl or PVC and do not exceed 12" x 6" x 12." The bags may be hand-carried or have a shoulder strap. (Officially licensed NFL team logo clear plastic tote bag measuring 12" x 6" x 12" will be available through club merchandise outlets or at nflshop.com).

One-gallon clear plastic freezer bag (Ziploc bag or similar).

Small clutch bag approximately the size of a hand (flyer = actual size permitted), with or without a handle or strap. This can be carried separately or within a plastic bag.

An exception will be made for medically necessary items after proper inspection at any gate.

Prohibited bags include, but are not limited to, the following: all purses, bags or containers larger than a small clutch bag, coolers, briefcases, backpacks, fanny packs, cinch bags, luggage of any kind, computer bags and camera bags.
